

## **Rules for the Marbach Event 6-9 May 2021**

General remark: This event can only be held under strict regulations in a difficult time.  
There was no choice, otherwise this event won't be possible.

We kindly ask you to obey the posted rules.

Please be prepared for the check in procedure, so excessive waiting times can be avoided!  
Horses can't be unloaded prior completion of the check in.

### **Arrival Times at Marbach showground**

Since we need to have team in place for the check in,  
the initial arrival at Marbach show ground is limited to the following time slots.

➤ Wednesday	5th of May	10 am - 9 pm
➤ Thursday	6th of May	8 am - 8 pm
➤ Friday	7th of May	7 am - 12 am

For those, who are traveling back and forward each day the first arrival needs to be inside the time slots as stated. Re Entry of the showground is only possible with a wrist band.

For entering the venue, every team member should have the following listed documents ready:  
Please wear your mask when you approach the checkpoint

1. **Picture ID**

We are obliged to verify your identity upon entering the showground.

2. **Negative covid test certificate**

Each team member needs to provide a certified test document.

- The test document must be in English or German Language and comprise:
  - Name and address of athlete or team member
  - Type of test used
  - Date & time
- Lab / Doctor / institution incl. contact data of the institution that has performed the test.  
**Please provide a Hardcopy. We have to file the documents for 4 weeks!**
- **Not acceptable will be:**
  - Electronic certificates / Photos / Presentation of test strips / etc.
  - Certificates in a foreign language (not German or English)

3. **Attendance Confirmation**

Please pre-fill in the form sheet. Please have it on hand upon entering the showground

If the test certificate or attendance confirmation are incorrect, questionable or incomplete you will be directed to a separate queue. This will cause additional waiting time prior check in and unloading of the horses.

Upon completion of the check in, you will receive a wrist band and will be released to the stable area.

### Be prepared and cautious for the journey to Marbach

- Amount of people travel to Marbach  
Do not exceed the number of persons allowed to enter the showground.
- Prior traveling to Marbach  
Make sure that all team members are at good health.  
If a team member shows typical symptoms, do not take the risk.
- People showing symptoms will be directed to a medical Doctor.  
An additional test might be required.  
If a team has travelled in one vehicle to Marbach and one person has a positive test result, the entire team will be asked to leave.
- Advice for all foreign nationals
- Travel to Germany  
Clarify the requirements for entering Germany / depending on the actual status of your region the regulations vary.
- Travel back home  
Please clarify what is required to re-enter your home country.  
We will try to help with certified test and test certificates.
